

Paul M. Macon

THOMPSON COBURN LLP

Construction

Distinction

Mr. Macon represents owners, general contractors, design professionals and construction lenders in contract negotiations involving high dollar value projects. Project owners have included developers, manufacturers, universities, health care institutions, investors and their lenders. Project contractors have included ENR Top 400 contractors, specialty contractors, subcontractors, and MBE certified contractors. The firm regularly utilizes industry standard form agreements including AIA, Consensus and DBIA, in addition to non-standard form agreements. Recent projects include:

- \$50 million data center
- \$50 million bio-diesel fuel production facility
- \$30 million apartment community
- \$90 million hospital patient tower
- \$100 million multi-tenant office building
- \$100 million casino
- \$30 million pharmaceutical research and lab facility
- \$65 million LEED certified research building
- \$60 million distribution center
- \$50 million mixed use retail condominium development
- Project joint venture agreements between contractors
