Case No. 4:12-CV-80 (CEJ)

ORDER

This matter is before the Court on the motion of the receiver for an order directing the Clerk’s Office to post on the district court’s website summary information about the receivership and a hyperlink to the receivership’s external website. The receiver states that she intends to maintain a fully functional website so that investors and other interested parties may access updates, download status reports and other documents, receive instructions on submitting claims information, and access government resources relevant to the receivership.

The Court is willing to consider the requested relief but the receiver has neither provided the Court with the text of the summary information she wants posted nor indicated that the receivership website has been established.

Accordingly,

IT IS HEREBY ORDERED that the receivership’s motion for an order directing the Clerk’s Office to post summary information and a link [Doc. #67] is denied without prejudice.

CAROL E. JACKSON
UNITED STATES DISTRICT JUDGE

Dated this 22nd day of March, 2012.
