PRACTICES

- Business Litigation
- Immigration

EMPLOYMENT

- Thompson Coburn LLP 2005-Present

Brenda is a Paralegal in the Business Litigation group.

Supporting attorneys with all aspects of litigation matters and claims, Brenda aides with discovery, document management, deposition, mediation and trial preparation. She assists with complex database management, which includes conducting queries for relevant information and records and generating reports. In addition, Brenda provides support to the Immigration and Corporate groups on a wide range of matters.

Brenda has been with the Firm for nearly 20 years. During this time, she has worked in various roles including Legal Administrative Assistant, Litigation Clerk Loss Prevention Analyst, and as a Litigation Specialist before transitioning to her current role.
