### ADMISSIONS

- Missouri
- US Patent and Trademark Office

### EDUCATION

- Saint Louis University School of Law, J.D.
- Saint Louis University, B.S.

### EMPLOYMENT

- Thompson Coburn LLP  
Associate, 2021-Present

Brendan helps counsel clients on a wide range of intellectual property matters, including patent and trademark disputes and prosecution.

With a background in mechanical engineering, Brendan supports clients in a variety of industry sectors. He performs legal research, drafts pleadings and other documents and assists with the preparation and filing of patent applications.

Brendan earned his J.D. from Saint Louis University School of Law, where he competed twice in international patent drafting competitions. He also participated in the Billings Exum & Frye 2019 National Moot Court Competition.
