ADMISSIONS

- Illinois

Dan represents public and private companies across the country on a wide range of corporate matters, with a particular emphasis on mergers and acquisitions, private equity transactions, and securities law compliance.

He manages the due diligence process, drafts and negotiates definitive purchase and ancillary agreements, and coordinates the closing. Dan also advises clients concerning securities offerings, SEC filings, and reporting matters. His client experience spans a broad range of industries, including healthcare, technology, manufacturing, transportation, and higher education.
