Jack assists clients with private client and general corporate matters.

He has over 20 years of experience in estate and trust administration as well as the preparation of various income, gift and estate tax returns.

In the corporate practice area, Jack maintains the group's annual corporation meeting minutes database. He works with attorneys and clients to properly maintain corporate minute books. He prepares annual meeting minutes, annual reports, stock certificates and ledgers, articles of incorporation and articles of organization. Jack also coordinates and prepares audit response letters, including assistance with drafting summaries of pending or threatened litigation relating to firm clients.
