With more than 15 years of experience in the financial services industry, Kristen helps develop tailored solutions for her clients.

As an attorney and accountant, Kristen utilizes her unique insight and skills to manage client matters and to help clients reach comprehensive solutions that match their business needs.

Kristen represents and advises commercial banks and finance companies as well as borrowers. She has substantial experience in secured and unsecured finance transactions including single bank and syndicated transactions, securitization and derivative transactions and asset-based lending transactions.

Kristen works collaboratively with clients to reach solutions that match their needs.
