Matt is looked to for his thorough understanding of his clients' business goals. He tailors his advice and strategies to each client's needs in his counsel and litigation work.

Matt litigates all forms of intellectual property including patents, trademarks, copyrights, trade secrets and counterfeiting. He is a registered patent attorney who practices before the Federal District Courts, Federal Appeals Courts, International Trade Commission, the Patent and Trademark Office, the Patent Trial and Appeal Board and the Trademark Trial and Appeal Board and is admitted to the Supreme Court of the United States.

Representing businesses and organizations of all sizes, Matt provides practical and cost-effective strategies to protect their valuable assets.

Held in high regard by clients and peers, a client noted in *Lexology Client Choice* that "Mr. Braunel one of the top trademark practitioners not only in Missouri, but in the United States, and is a valuable asset to all corporate counsel."

Matt holds degrees in Chemistry and Mathematics, and completed graduate-level course work toward a doctoral degree in radiopharmaceutical chemistry before attending law school.
