EDUCATION

- University of Maryland, B.A. Government and Politics, 2015, B.A. Economics, 2015

EMPLOYMENT

- Metrica Inc., International Logistics Specialist, 2019
- Amber Road Inc., Trade Specialist, 2017-2018

Ronen Plechnin is an International Trade Specialist who specializes in import and export trade issues, sanctions and general customs compliance.

Ronen works with attorneys and clients on due diligence reports summarizing companies' ownership structure and ties to entities, locations or individuals appearing on U.S. government sanctions lists. Additionally, he generates trade reports summarizing trade volume, duties, duty-exemption claims and other relevant trade information using U.S. CBP's Automated Commercial Environment (ACE).

Before joining the Firm, Ronen worked as a Trade Specialist at Amber Road implementing the import/export content update process, including Harmonized Schedules (HS), Export Control Numbers (ECCNs), Munitions List (ML), government sanctions lists, trade legislation and other regulatory content.

Languages

- Russian, Hebrew, Ukrainian
