EMPLOYMENT

- Thompson Coburn LLP
Associate, 2010-Present

Ryan is a member of the Litigation group and practices in the areas of toxic tort, personal injury, products liability, and railroad litigation.

Ryan concentrates his practice on the defense of complex mass tort litigation involving personal injury and products liability. Ryan also has experience handling breach of contract, construction and contractor claims. His experience is in all phases of litigation, from motion practice to depositions and trial. In all cases that he handles, Ryan's goal is to provide clients with exceptional and efficient representation.
