# HigherEdReg Rundown - ED Layoffs, Thoughts for Schools

On March 11, 2025, the U.S. Department of Education initiated a reduction in force impacting approximately 1,300 employees. In a March 14 edition of the HigherEdReg Rundown, [Aaron Lacey](#), co-chair of Thompson Coburn's [Higher Education Practice](#), discussed the scope of the RIF, its impact on Federal Student Aid, and practical considerations for institutions. Click below to watch this update.

[Click here](#) for the slide deck, which includes active links to many of the resources and reports discussed during the presentation.
