Hot Topics in California Employment Law

Webinar

California employers are faced with a complex web of federal, state and local laws governing the employment relationship. Navigating the requirements imposed by these laws can be complex and challenging, especially in light of a seemingly ever-increasing employee friendly environment in the legislature and in the courts. We invite you to join us in a 60-minute webinar on August 16, 2023, in which we will discuss trending topics in California employment law and their effect on employers.
