# Kudos to TC Client Planting Hope for Chicago Innovation Award

Thompson Coburn is a proud sponsor of [Chicago Innovation](#) and was thrilled to see firm client [Planting Hope](#) recognized at the organization's 22nd annual awards ceremony. Planting Hope, which reimagines staple food and beverage products to be more sustainable and nutritious, was recognized for its recent launch of Hope and Sesame, the first commercialized sesame milk globally.

Chicago Innovation's mission is to educate, connect and celebrate all innovators in the Chicago region. [Click here](#) to read the full list of 2023 Chicago Innovation Award winners.
