Nelly's Black and White Ball is back, raising funds for Make-A-Wish and Harris-Stowe

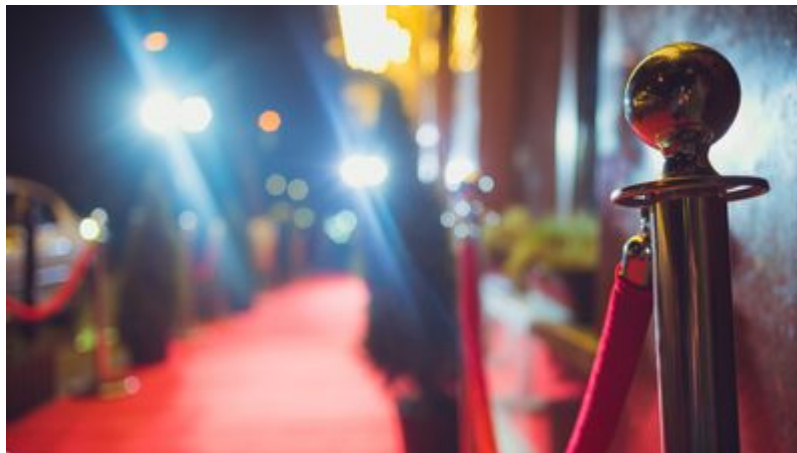

I am so excited to see three-time Grammy award-winner Nelly bringing back his Black and White Ball fundraising event in St. Louis. I'm especially thrilled this year, though, because our client Harris-Stowe State University is among the beneficiaries of the proceeds.

In addition to raising funds to benefit Make-A-Wish Missouri, the black-tie gala on Dec. 3 will contribute to funding scholarships at Harris-Stowe.

Nelly, we continue to salute your contributions to St. Louis and appreciate the support for these worthy causes!

This year's event at the Four Seasons Hotel St. Louis will benefit Make-A-Wish Missouri, and the funds raised will go toward granting wishes for children in the St. Louis area. But that's not all: The event will also benefit Harris-Stowe State University to help fund scholarships.
