# Thompson Coburn attorneys included in Chambers' 2021 High Net Worth guide

Thompson Coburn's private client practice and two of our practitioners received recognition in this year's Chambers [High Net Worth guide](#) (by Chambers & Partners).

Thompson Coburn was one of only three firms listed in Band 1 for Private Wealth Law – Missouri. There were only five firms recognized across the state. The publication noted our Firm's practice for being particularly adept at handling business succession, estate planning and probate litigation.

[Larry Katzenstein](#) is listed in Private Wealth Law Band 1 for Missouri and is one of only six attorneys listed. He advises on all aspects of wealth management and estate planning, with a particular emphasis on charitable gift planning.

[Tom Corbett](#), who also appears on the guide's Missouri list in Band 1, advises clients on estate planning and administration matters, including those concerning tax and succession planning for closely held businesses.
