TYPES NOT MAPPED YET February 24, 2025 | TTR not mapped yet | Thomas A. Polcyn, Jennifer A. Visintine

Tom Polcyn, Jennifer Visintine Named to 2025 WTR 1000 List

Thompson Coburn Intellectual Property partners [Tom Polcyn](#) and [Jennifer Visintine](#) have been recognized in the 2025 edition of [World Trademark Review's \(WTR\) WTR 1000](#) - The World's Leading Trademark Professionals. The list highlights top trademark professionals and firms worldwide. The publication says, "Thompson Coburn creates an attractive offering for brands with its well-rounded IP services and a team of commercially savvy professionals."

Tom is co-chair of the firm's intellectual property team that focuses on strategic counseling, global IP portfolio management, licensing, enforcement, brand protection and dispute resolution for some of the world's best-known consumer products companies and service providers. WTR noted that Tom "is a go-to strategist for top consumer products companies and service providers. Known for prioritizing clear communication, he builds strong, transparent relationships with his clients and in-house legal teams."

Jennifer brings vital expertise in drafting and negotiating intellectual property, software, and related agreements. The publication states, "Known for her practical advice that cuts through complexities, she ensures that her clients' trademark strategies are both effective and straightforward."
