# Women, Influence & Power in Law Conference

The TC team had an amazing time at ALM's Women, Influence & Power in Law (WIPL) conference in New Orleans. Each year, WIPL brings together law firm leaders and in-house counsel along with thought leaders from government and academia to share leadership guidance and insights.

Here are just a few of the highlights:

- [Evan Goldfarb](#) was recognized as a Women, Influence & Power in Law Award winner! Evan was honored in the Collaborative Leadership category, which recognizes law firm partners who have demonstrated a commitment to advancing the empowerment of women in law. TC attendees [Susan Lorenc](#), [Amanda Hettinger](#), [Sonette Magnus](#), [Chris Hohn](#) and Sarah Stoces were on hand to cheer and celebrate with Evan.
- Amanda Hettinger moderated a panel on "Addressing Consumer Class-Action & Mass Arbitration Challenges," which also featured firm alumna Brandi Burke, Vice President of Litigation at Charter Communications.
- The conference closed with a session titled "Let's Hear It From the Boys! A Conversation with Workplace Allies" with Chris Hohn as a panelist.
