### MY SERVICES

Immigration

---

### EDUCATION

I provide essential support to attorneys in navigating the complex and ever-changing immigration landscape.

#### overview

Michelle Ross's role involves preparing and filing immigration petitions and applications from H-1B and other non-immigrant filings through citizenship, conducting legal research, and maintaining meticulous case files.

She assists clients in gathering and organizing required documentation, ensuring timely submission of forms, and communicating effectively with government agencies. Her skill lies in understanding immigration laws and regulations, providing exceptional client service, and contributing to successful case outcomes.

#### in my free time

I spend a significant amount of time throughout the year coaching wrestling for a youth club and traveling to different national wrestling tournaments. Some of the different national tournaments I have coached at are WOW's Tulsa Kickoff in Oklahoma; the Adidas National Wrestling Tournament held in Kansas City, Missouri; and Nuway national tournaments in various locations like Branson, Missouri, and Davenport, Iowa.
